## +ANNOUNCEMENTS.+

For Representative—91st District.

**CECIL**—We are authorized to announce JAMES B. CECIL, of Morgan county, as a candidate for Representative to the Legislature for Morgan and Wolfe counties, subject to the action of the Democratic party.

**MORRIS**—We are authorized to announce J. P. MORRIS, of Morgan county, as a candidate for Representative to the Legislature from Morgan and Wolfe counties, subject to action of the Democratic party.

NEVER, in the history of the country, has such a deadly blow been struck at free speech in congress as that dealt by Speaker Henderson when he deliberately withheld from publication in the Record a speech delivered by Representative Lentz, of Ohio, and turned it over to Representative Grosvenor to be revised. This is imperialism with a vengeance.

ROOSEVELT is vexed because the correspondents have been enlarging in his feats in Colorado. No doubt, he fears that his real adventures will seem very tame after these fanciful yarns. But, after all, a man who could write such a highly imaginative work as "Alone in Cuba," need not fear competition in the weird and wonderful.

POOR SAMPSON! Don't he and Hobson beat the band for indiscretion, one with his pen and the other with his tongue? Nine officers out of ten agree with Sampson's letter, but the other eight of them had sense enough not to put themselves on record.

A New York Supreme Court justice has recently refused to receive so called "expert" testimony in regard to handwriting. Rightly so. Nine tenths of the expert business is humbug. There are three sorts of liars; the ordinary liar, the damned liar, and the writing expert.

SOUTHERNS have always been accused of being anxious for government office but there is on record no such case of cold bloodedness as that shown by the seven northern men who applied for Consul Wildman's post before the breath was fairly out of his body.

JUST now, congress thinks it will avoid an extra session by means of its Cuban resolutions; tomorrow it will probably find that it must have one to settle the Philippines; the day after tomorrow—but no one can predict that far ahead for this congress.

OF the few men who have risen from the ranks of the navy to high place, nearly all have attained distinction. Witness Admirals Hichborn, O'Neill and Melville, all of whom were once enlisted men.

How much longer is this lynching evil to continue in the north? How much longer are republican strongholds to horrify the country with tales of torture at the stake?

CARNEGIE et al receive lots of praise for their gifts to libraries and universities. Yet their benefactions do not cause them any self denial. It is the widow's mite over again.

THOSE peace proposals from South Africa seem to have fizzled out as it were. The Boers caught another convoy the other day.

## Our Meeting.

The protracted meeting at the Christian church began under most favorable circumstances, on Tuesday evening. Though the night was cold and uninviting there was a large audience present to hear Mr. Clark in his opening sermon. The people of Hazel Green and vicinity now have an opportunity to hear one of the best pulpit speakers in the Christian church, and every one should avail himself of this opportunity. Mr. Clark is not ashamed of the Gospel; he believes it is the power of God unto salvation to every one who believes; and in such a belief he presents the whole gospel in its purity and simplicity. Let the membership of the church be aroused; let the backslider be stirred; let the sinner be awakened, for today is the day of salvation, if you would see God, harden not your heart. Everybody is cordially invited to attend each service. The evening service begins promptly at 7:15 o'clock. Come, yourself; bring your family; bring your friends; bring your neighbors; let us all come up to the house of our Lord.

W. M. H. CORD.

## Strikes a Rich Find.

"I was troubled for several years with chronic indigestion and nervous debility," writes F. J. Green, of Lancaster, N. H., "No remedy helped me until I began using Electric Bitters, which did me more good than all the medicines I ever used. They have also kept my wife in excellent health for years. She says Electric Bitters are just splendid for female troubles; that they are a grand tonic and invigorator for weak, run down women. No other medicine can take its place in our family." Try them. Only 50c. Satisfaction guaranteed by J. Taylor Day, Hazel Green, or S. S. Combs & Son, Campton.

### Will be Finished by May.

Work on the O. & K. railroad is rapidly being pushed through to completion, and it will be in full operation by the first of May. When the road is completed, operations will be commenced by putting the camel coal, which has been hidden in our mountains for centuries, on the market. On Friday night, E. F. Powell, in company with 32 men stopped over night at the Day House, en route for the Caney tunnel. Mr. Powell informed us that they are going to rush the work through just as speedily as possible.

Euster & Firestein has bought the big brick building at Campton from the Traders Deposit bank, of Mt. Sterling, known as the property of Judge Centers, and they have remodeled the same by removing the partitions and putting in new shelving. They are very busy at present by getting and arranging their new stock, consisting of dry goods, clothing, shoes, hats, groceries, furniture, carpets, and in fact, everything that is kept in a first-class establishment. The Messrs. Euster & Firestein are doing business at Beattyville, Pineville and Middlesboro. They can't be excelled for quality and cheapness.

The stomach controls the situation. Those who are hearty and strong are those who can eat and digest plenty of food. Kodol Dyspepsia Cure digests what you eat and allows you to eat all the good food you want. If you suffer from indigestion, heartburn, belching or any other stomach trouble, this preparation can't help but do you good. The most sensitive stomachs can take it. H. F. PIERATT.

Robt. Metin, general manager of J. T. Day's stores of this place, Torrent and Lee City, arrived home Saturday evening from Cincinnati and Louisville where he has been for several weeks buying spring and summer goods for the above mentioned stores.

"For the Sake of Fun, Mischief is Done." A vast amount of mischief is done, too, because people neglect to keep their blood pure. This mischief, fortunately, may be undone by the faithful use of Hood's Sarsaparilla. Hood's Pills cure liver ills. Non-irritating.

Died, on Thursday, an infant child of Mr. and Mrs. Mort Pieratt, of this place, and was laid to rest on Grassy creek Friday afternoon.

## It's Easy To Take

Thin, pale, anæmic girls need a fatty food to enrich their blood, give color to their cheeks and restore their health and strength. It is safe to say that they nearly all reject fat with their food.

## SCOTT'S EMULSION OF COD LIVER OIL

WITH HYPOPHOSPHITES OF LIME & SODA

is exactly what they require; it not only gives them the important element (cod-liver oil) in a palatable and easily digested form, but also the hypophosphites which are so valuable in nervous disorders that usually accompany anæmia.

SCOTT'S EMULSION is a fatty food that is more easily digested than any other form of fat. A certain amount of flesh is necessary for health. You can get it in this way.

We have known persons to gain a pound a day while taking it.

See and get it at all druggists. SCOTT & BOWNE, Chemists, New York.

### MY VISITOR.

BY SAM WILSON.

One morning to my office came  
A visitor who was meek and tame,  
With eyes so bright and silken hair;  
He was a beauty, I declare.

It was not long till I caressed  
This little beauty to my breast,  
And oft I'd place him in my chair;  
Where, O, he looked so cute and fair.

He grew to love me day by day,  
And seemed to know what I would say;  
As when at meal time I would share  
An equal portion of my fare.

When all at once he disappeared,  
Went to a neighbor's home I heard  
And since that time, I've looked in vain  
For O, he ne'er came back again.

And now I miss my friend so dear;  
My partner in the office chair.  
But let it go for what of that  
'Twas nothing but a thomas cat.

Robert M. Hopkins, of Louisville, State Sunday School Evangelist in Kentucky, conducted a Sunday School Bible institute in the Christian church of this place, last Friday and ended Sunday night. Two sessions were held each day—one in afternoon and one at night. At the night session he used the oxg-hydrogen stereopticon with moving pictures, and explained every scene. It was quite a treat to the large audience that attended the sessions. The pictures and lectures were fine and very impressive on the audience, and much good, will without doubt, be benefited therefrom.

Like Oliver Twist, children ask for more when given One Minute Cough Cure. Mothers endorse it highly for croup. It quickly cures all coughs and colds and every throat and lung trouble. It is a specific for grippe and asthma and has long been a well known remedy for whooping cough.

H. F. PIERATT.

Rev. H. D. Clark, of Mt. Sterling, arrived here Monday, and is holding a protracted meeting at the Christian church, at this place, and great interest is being manifested. Mr. Clark is one of the best revivalists in this part of the state.

The bicycle riders are taking advantage of the good roads now. Not only young men can be seen spinning around town on their wheels but also young ladies, and some of the latter ride very gracefully.

Counterfeits of Dewitt's Witch Hazel Salve are liable to cause blood poisoning. Leave them alone. The original has the name DeWitt's upon the box and wrapper. It is a harmless and healing salve for skin diseases. Unequalled for piles. H. F. PIERATT.

Lanford Craft, a clerk in Pieratt's store, was called to the bedside of his mother who is dangerously ill. Edward Oncey was substituted during Mr. Craft's absence. Later—Mrs. Craft died on Wednesday.

The West Liberty public school building burned Thursday morning, February 28. It is supposed that the fire started from a defective flue. Total loss about \$3,000; no insurance.

### Working 24 Hours a Day.

There's no rest for those tireless little workers—Dr. King's New Life Pills. Millions are always busy, curing torpid liver, jaundice, biliousness, fever and ague. They banish sick headache, drive out malaria. Never gripe or weaken. Small, taste nice, work wonders. Try them. at J. Taylor Day, Hazel Green, or S. S. Combs & Son, Campton. Price 25 cents.

Revs. West, Johnson and Pike closed a very successful meeting at Campton on Sunday night. Quite a number of converts were received in the Methodist church at that place.

Died, on Tuesday the 5th inst., at her residence on Grassy creek, Mrs. Rachel Wilson, aged about 62 years.

The West Lexington Presbytery will meet at Jackson the first of April in the Presbyterian church.

The lingering cough following grippe calls for One Minute Cough Cure. For all throat and lung troubles this is the only harmless remedy that gives immediate results. Prevents consumption.

### STRAY SHOTS.

Frank T. O'Hair, Paris, Ill. has returned from a three week trip to New York and Washington.

Morton Swango left Tuesday for Butte, Montana where he will resume his former employment.

Clarence Turner formerly of Mt. Sterling was last week married to Miss Pearl Smith, of Paris, Ill. Their future home will be in Bates county, Mo., on the 1000 acre stock farm recently owned by the late Harlan Turner.

Oliver Newman, aged 25, died of consumption at Indianapolis on the 12th ult. His remains were interred at Charleston, Ill.

Morton Swango recently spent a day at Indianapolis as the guest of Senator Charles Whitecomb. While in that city, he met Richard Hoard, formerly of Hazel Green. Mr. Hoard is writing life insurance, but said he would soon leave for Kentucky and join his father's family near Lexington.

Last Tuesday at 12 o'clock in this city, a negro was taken from the jail by a mob, beaten into insensibility, dragged through the streets to the bridge over the Wabash river, and hanged. After which he was placed on a pile of wood saturated with oil and burned. The burning lasted for three hours, and was witnessed by at least 15,000 people. Savanirs, consisting of rope, bits of clothing, shoes and even his toes were carried away. The jail doors were battered down by a car still and no resistance of any consequence was made by the officers. The negro confessed to way-laying a young lady 21 years old who was walking from a country school to the end of the street car line near the city. He emptied the contents of a shot gun in her back and then cut her throat with a knife. The girl struggled to her feet and walked half mile where she died in a few hours. The lynching meets the approval of the citizens of the county, though some condemn the burning of the dead body.

J. H. S.

Terre Haute, Ind.

Prof. Iverson, of Louisa, Md., suffered terribly from neuralgia of the stomach and indigestion for thirteen years and after the doctors failed to cure him they fed him on morphine. A friend advised the use of Kodol Dyspepsia Cure and after taking a few bottles of it he says, "It has cured me entirely. I can't say too much for Kodol Dyspepsia Cure." It digests what you eat.

H. F. PIERATT.

Their promptness and their pleasant effects make DeWitt's Little Early Risers most popular little pills wherever they are known. They are simply perfect for liver and bowel trouble. H. F. PIERATT.

Mrs. Edwin Cross, Gormer, Mich. "When I conceived using Wine of Cardui I was hardly able to walk across the house. Two weeks after I walked half a mile and picked strawberries. When my other child was born I suffered with labor pains 24 hours, and had to raise him on a table. I never had no more. After using the Wine during pregnancy this time, I gave birth to a baby girl and was in labor only two hours, with but little pain, and I have plenty of milk. For this great improvement in my health I thank God and Wine of Cardui."

## COUNTY NEWS NOTES.

To insure insertion ALL correspondence must be in this office by Monday night of each week, and that nearby on Monday morning.

Our correspondents are derelict in duty and we want to say that henceforth they will not receive papers except for the week they have news letters. We are dependent upon them for the news and when they fail to send in their favors they put us to great inconvenience.

### SUNNY SIDE.

While in town a few days ago we saw Carrie Swango of Toliver.

"Charley" was at this place last week selling potatoes and garden seeds.

While at school Monday we saw a man with a sample of a Byrd, and it was a Goodwin.

Edward Oney, of this place is clerking and posting books for H. F. Pieratt this week.

Some of our folks attended the Sunday school convention at Hazel Green, and think it was just splendid.

Lanford Craft, of your town, passed through here Friday on his way to Salem, Morgan county, to see his mother who is said to be critically ill.

We had the good pleasure of seeing Prof. McDermit, of Morehead, Saturday. It is indeed a treat to us to meet our old teachers, they all have a warm corner in our heart.

Your writer has just received a letter from Miss Laura Bishop, of Levita, Texas. Her many friends here will be glad to learn that she is teaching school there and is in good health.

Clifton Cope, of Breathitt county, passed through here Friday en route to Hazel Green after his sister, Miss Mattie, of Hazel Green academy. She will spend a few days at home, then return to resume her school work.

H. A. Mannin and wife spent Sunday with O. W. McNabb and wife.

J. Leroy Boggs, of your town, called at Toliver last Sunday week.

Mrs. Fannie Swango took dinner with Mrs. J. J. Brewer last Friday.

A. B. Swango recently purchased a farm in Menefee county where he will shortly move.

Miss Loula Kash, of Hazel Green, visited Misses Etta and Carrie Swango last week.

Misses Lou Ward and Mollie Clark, of your town, took in the sights near Toliver Sunday.

A. B. Robinson, of Lacy creek, visited his brother, G. B. Robinson, of this neighborhood, last week.

We are glad to get back in ranks again where we can associate with THE HERALD correspondents and readers.

Wm. Toliver came near losing his residence by fire. It blew into the grass from a burning stump, and had it not been for the good neighbors plowing and digging, possibly his buildings would have burned.

We were much pained to read of the death of "Uncle Remus," one of our beloved correspondents; one who has contributed so many bright, new letters to THE HERALD. That in his death, we have lost a faithful member, a good citizen and christian gentleman.

#### SELARS.

As there seems to be no one to represent this part of God's moral vineyard or report the happenings of its people, I hope you will extend a welcome to a long silent admirer and well-wisher for the prosperity of the Hazel Green HERALD, the faithful and efficient organ of the interests of the mountain people.

It is with some hesitation that I offer a few local items from this immediate neighborhood as judging from the scope of country that some of your writers glean from

there, seems to be no limit or boundary existing between different sections.

La grippe has visited every home in this section.

Mrs. Sevilla Nickell has been on the sick list for sometime.

Dr. Chaney and son have declined selling goods now as other arrangements have been made.

Rev. Charley Johnson delivered a very eloquent sermon at old Salem last Sunday.

Ed. and Auc. Cecil were on Grassy last week looking at a farm supposed to be for sale.

Married, at the residence of J. H. Holliday on the 30th ult., Jim Frank Walters to Miss Holliday. Long may they live.

Andy Baskirk has engaged in the mercantile business, is located near Salem church and solicit the patronage of his friends.

Isam Long and son are out prospecting for timber with the view of buying a saw mill to be operated on Grassy, just below the church.

Born, to the wife of Mr. Dave Cox on the 21st ult., a boy. His happy father greeted him with these words, "Now shore, I like them kind of babies."

Burford Nickell seems to have urgent business at Sellers quite often of late, and "Uncle Sam" is doing quite a thriving business on the mail route between Daysboro and Sellers.

Mr. Cox awoke the other morning to find himself minus a caller, pad, half a line and some other effects. He wishes to extend his thanks to the caller for leaving as much as he did.

The meeting at Mize, Grassy creek, conducted by Elders Harlan, McClure and Rev. Watts, of Mt. Sterling, assisted by Miss Linnie Cecil, closed Sunday night after a very successful and enthusiastic series of sermons.

Now, if there is anything I delight in, it is reading the interesting letters from various correspondents, but as Grassy is a place of much notoriety my mind naturally wonder to that point and the wonder grows within me how so much information can be gathered by the one whose cognomen is "Old Rough."

#### Night Was Her Terror.

"I would cough nearly all night long," writes Mrs. Chas. Applegate of Alexander, Ind., "and could hardly get any sleep. I had consumption so bad that if I walked a block I would cough frightfully and spit blood, but, when all other medicines failed, three \$1.00 bottles of Dr. King's New Discovery wholly cured me and I gained 58 pounds." It's absolutely guaranteed to cure coughs, colds, la grippe, bronchitis and all throat and lung troubles. Price 50c and \$1.00. Trial bottles free at J. Taylor Day, Hazel Green, and S. S. Combs & Son, Campton, drug stores.

A communication from Campton, signed "Dick," was received at this office Wednesday evening, and it being too late for last week's issue, and it got mislaid by some means, and we can't find it. Come again, Dick, and we will be more careful next time.

#### A Horrible Outbreak.

"Of large sores on my little daughter's head developed into a case of scald head," writes C. D. Isbill, of Morgantown, Tenn., but Bucklen's Arnica Salve completely cured her. It's a guaranteed cure for eczema, tetter, salt rheum, pimples, sores, ulcers and piles. Only 25c at J. Taylor Day, Hazel Green or S. S. Combs & Son, Campton, drug stores.

## ANNOUNCEMENTS.

For Representative—91st District.

**CECIL**—We are authorized to announce JAMES B. CECIL, of Morgan county, as a candidate for Representative to the Legislature for Morgan and Wolfe counties, subject to the action of the Democratic party.

**MORRIS**—We are authorized to announce J. P. MORRIS, of Morgan county, as a candidate for Representative to the Legislature from Morgan and Wolfe counties, subject to action of the Democratic party.

NEVER, in the history of the country, has such a deadly blow been struck at free speech in congress as that dealt by Speaker Henderson when he deliberately withheld from publication in the Record a speech delivered by Representative Lentz, of Ohio, and turned it over to Representative Grosvenor to be revised. This is imperialism with a vengeance.

ROOSEVELT is vexed because the correspondents have been enlarging in his feats in Colorado. No doubt, he fears that his real adventures will seem very tame after these fanciful yarns. But, after all, a man who could write such a highly imaginative work as "Alone in Cuba," need not fear competition in the weird and wonderful.

POOR SAMPSON! Don't he and Hobson beat the band for indiscretion, one with his pen and the other with his tongue? Nine officers out of ten agree with Sampson's letter, but the other eight of them had sense enough not to put themselves on record.

A New York Supreme Court justice has recently refused to receive so called "expert" testimony in regard to handwriting. Rightly so. Nine tenths of the expert business is humbug. There are three sorts of liars; the ordinary liar, the damned liar, and the writing expert.

SOUTHERNS have always been accused of being anxious for government office but there is on record no such case of cold bloodedness as that shown by the seven northern men who applied for Consul Wildman's post before the breath was fairly out of his body.

JUST now, congress thinks it will avoid an extra session by means of its Cuban resolutions; tomorrow it will probably find that it must have one to settle the Philippines; the day after tomorrow—but no one can predict that far ahead for this congress.

OF the few men who have risen from the ranks of the navy to high place, nearly all have attained distinction. Witness Admirals Hichborn, O'Neill and Melville, all of whom were once enlisted men.

How much longer is this lynching evil to continue in the north? How much longer are republican strongholds to horrify the country with tales of torture at the stake?

CARNEGIE et al receive lots of praise for their gifts to libraries and universities. Yet their benefactions do not cause them any self denial. It is the widow's mite over again.

THOSE peace proposals from South Africa seem to have fizzled out as it were. The Boers caught another convoy the other day.

### Our Meeting.

The protracted meeting at the Christian church began under most favorable circumstances, on Tuesday evening. Though the night was cold and uninviting there was a large audience present to hear Mr. Clark in his opening sermon. The people of Hazel Green and vicinity now have an opportunity to hear one of the best pulpit speakers in the Christian church, and every one should avail himself of this opportunity. Mr. Clark is not ashamed of the Gospel; he believes it is the power of God unto salvation to every one who believes; and in such a belief he presents the whole gospel in its purity and simplicity. Let the membership of the church be aroused; let the backslider be stirred; let the sinner be awakened, for today is the day of salvation, if you would see God, harden not your heart. Everybody is cordially invited to attend each service. The evening service begins promptly at 7:15 o'clock. Come, yourself; bring your family; bring your friends; bring your neighbors; let us all come up to the house of our Lord.

W. M. H. CORD.

### Strikes a Rich Find.

"I was troubled for several years with chronic indigestion and nervous debility," writes F. J. Green, of Lancaster, N. H., "No remedy helped me until I began using Electric Bitters, which did me more good than all the medicines I ever used. They have also kept my wife in excellent health for years. She says Electric Bitters are just splendid for female troubles; that they are a grand tonic and invigorator for weak, run down women. No other medicine can take its place in our family." Try them. Only 50c. Satisfaction guaranteed by J. Taylor Day, Hazel Green, or S. S. Combs & Son, Campton.

Our beautiful wather of last week vanished like a myth, and the cold wave swept over the land, which made you think of mid-winter.

Miss Clark Long returned Monday from Campton and reports a very beneficial meeting.

A. H. Stamper, candidate for the state legislature, was in Hazel Green Wednesday.

Several articles were crowded out of this week's issue, but will appear next week.

Sam Wilson is this week giving Mrs. Day's millinery store a spring touch up with paint.

Mrs. Nannie Craven, of McCausey, has been on the sick list for several weeks, is somewhat better.

D. B. Lacy made THE HERALD office a pleasant call Friday, and had his name enrolled on our books.

Died, the youngest child of Mr. and Mrs. A. J. Taulber, Monday night. We sympathize with the bereaved family.

When you are bilious, use those famous little pills known as DeWitt's Little Early Risers to cleanse the liver and bowels. They never gripe.

There will be preaching at Consolation next Saturday and Sunday by Revs. W. F. Lykins and L. L. Johnson. All are invited to attend these meetings.

THE BEST should be your aim when buying medicine. Get Hood's Sarsaparilla and have the best medicine MONEY CAN BUY.

Prof. McDermitt, who was one of the teachers at the Hazel Green academy last year, now at Morehead, was visiting friends here Friday and Saturday.

See that you get the original DeWitt's Witch Hazel Salve when you ask for it. The genuine is a certain cure for piles, sores and skin diseases.

### Will be Finished by May.

Work on the O. & K. railroad is rapidly being pushed through to completion, and it will be in full operation by the first of May. When the road is completed, operations will be commenced by putting the camel coal, which has been hidden in our mountains for centuries, on the market. On Friday night, E. F. Powell, in company with 32 men stopped over night at the Day House, en route for the Caney tunnel. Mr. Powell informed us that they are going to rush the work through just as speedily as possible.

Euster & Firestein has bought the big brick building at Campton from the Traders Deposit bank, of Mt. Sterling, known as the property of Judge Centers, and they have remodeled the same by removing the partitions and putting in new shelving. They are very busy at present by getting and arranging their new stock, consisting of dry goods, clothing, shoes, hats, groceries, furniture, carpets, and in fact, everything that is kept in a first-class establishment. The Messrs. Euster & Firestein are doing business at Beattyville, Pineville and Middlesboro. They can't be excelled for quality and cheapness.

The stomach controls the situation. Those who are hearty and strong are those who can eat and digest plenty of food. Kodol Dyspepsia Cure digests what you eat and allows you to eat all the good food you want. If you suffer from indigestion, heartburn, belching or any other stomach trouble, this preparation can't help but do you good. The most sensitive stomachs can take it.

Robt. Metin, general manager of J. T. Day's stores of this place, Torrent and Lee City, arrived home Saturday evening from Cincinnati and Louisville where he has been for several weeks buying spring and summer goods for the above mentioned stores.

"For the Sake of Fun, Mischief is Done." A vast amount of mischief is done, too, because people neglect to keep their blood pure. This mischief, fortunately, may be undone by the faithful use of Hood's Sarsaparilla.

Hood's Pills cure liver ills. Non-irritating.

Died, on Thursday, an infant child of Mr. and Mrs. Mort Pieratt, of this place, and was laid to rest on Grassy creek Friday afternoon.

## It's Easy To Take

Thin, pale, anæmic girls need a fatty food to enrich their blood, give color to their cheeks and restore their health and strength. It is safe to say that they nearly all reject fat with their food.

## SCOTT'S EMULSION OF COD LIVER OIL

WITH HYPOPHOSPHITES OF LIME & SODA

is exactly what they require; it not only gives them the important element (cod-liver oil) in a palatable and easily digested form, but also the hypophosphites which are so valuable in nervous disorders that usually accompany anæmia.

SCOTT'S EMULSION is a fatty food that is more easily digested than any other form of fat. A certain amount of flesh is necessary for health. You can get it in this way.

We have known persons to gain a pound a day while taking it.

### MY VISITOR.

BY SAM WILSON.

One morning to my office came  
A visitor who was meek and tame,  
With eyes so bright and silken hair;  
He was a beauty, I declare.

It was not long till I caressed  
This little beauty to my breast,  
And oft I'd place him in my chair;  
Where, O, he looked so cute and fair.

He grew to love me day by day,  
And seemed to know what I would say;  
As when at meal time I would share  
An equal portion of my fare.

When all at once he disappeared,  
Went to a neighbor's home I heard  
And since that time, I've looked in vain  
For O, he ne'er came back again.

And now I miss my friend so dear;  
My partner in the office chair.  
But let it go for what of that  
'Twas nothing but a thomas cat.

Robert M. Hopkins, of Louisville, State Sunday School Evangelist in Kentucky, conducted a Sunday School Bible institute in the Christian church of this place, last Friday and ended Sunday night. Two sessions were held each day—one in afternoon and one at night. At the night session he used the oxg-hydrogen stereopticon with moving pictures, and explained every scene. It was quite a treat to the large audience that attended the sessions. The pictures and lectures were fine and very impressive on the audience, and much good, will without doubt, be benefited therefrom.

Like Oliver Twist, children ask for more when given One Minute Cough Cure. Mothers endorse it highly for croup. It quickly cures all coughs and colds and every throat and lung trouble. It is a specific for grippe and asthma and has long been a well known remedy for whooping cough.

H. F. PIERATT.

Rev. H. D. Clark, of Mt. Sterling, arrived here Monday, and is holding a protracted meeting at the Christian church, at this place, and great interest is being manifested. Mr. Clark is one of the best revivalists in this part of the state.

The bicycle riders are taking advantage of the good roads now. Not only young men can be seen spinning around town on their wheels but also young ladies, and some of the latter ride very gracefully.

Counterfeits of Dewitt's Witch Hazel Salve are liable to cause blood poisoning. Leave them alone. The original has the name DeWitt's upon the box and wrapper. It is a harmless and healing salve for skin diseases. Unequalled for piles.

H. F. PIERATT.

Lanford Craft, a clerk in Pieratt's store, was called to the bedside of his mother who is dangerously ill. Edward Oncey was substituted during Mr. Craft's absence. Later—Mrs. Craft died on Wednesday.

The West Liberty public school building burned Thursday morning, February 28. It is supposed that the fire started from a defective flue. Total loss about \$3,000; no insurance.

### Working 24 Hours a Day.

There's no rest for those tireless little workers—Dr. King's New Life Pills. Millions are always busy, curing torpid liver, jaundice, biliousness, fever and ague. They banish sick headache, drive out malaria. Never gripe or weaken. Small, taste nice, work wonders. Try them, at J. Taylor Day, Hazel Green, or S. S. Combs & Son, Campton. Price 25 cents.

Revs. West, Johnson and Pike closed a very successful meeting at Campton on Sunday night. Quite a number of converts were received in the Methodist church at that place.

Died, on Tuesday the 5th inst., at her residence on Grassy creek, Mrs. Rachel Wilson, aged about 62 years.

The West Lexington Presbytery will meet at Jackson the first of April in the Presbyterian church.

The lingering cough following grippe calls for One Minute Cough Cure. For all throat and lung troubles this is the only harmless remedy that gives immediate results. Prevents consumption.

## DO YOU GET UP WITH A LAME BACK?

Kidney Trouble Makes You Miserable.

Almost everybody who reads the newspapers is sure to know of the wonderful cures made by Dr. Kilmer's Swamp-Root, the great kidney, liver and bladder remedy.

It is the great medical triumph of the nineteenth century; discovered after years of scientific research by Dr. Kilmer, the eminent kidney and bladder specialist, and is wonderfully successful in promptly curing lame back, kidney, bladder, uric acid troubles and Bright's Disease, which is the worst form of kidney trouble.

Dr. Kilmer's Swamp-Root is not recommended for everything but if you have kidney, liver or bladder trouble it will be found just the remedy you need. It has been tested in so many ways, in hospital work, in private practice, among the helpless too poor to purchase relief and has proved so successful in every case that a special arrangement has been made by which all readers of this paper who have not already tried it, may have a sample bottle sent free by mail, also a book telling more about Swamp-Root and how to find out if you have kidney or bladder trouble. When writing mention reading this generous offer in this paper and send your address to Dr. Kilmer & Co., Birmingham, N. Y. The regular fifty cent and dollar sizes are sold by all good druggists.

### STRAY SHOTS.

Frank T. O'Hair, Paris, Ill. has returned from a three week trip to New York and Washington.

Morton Swango left Tuesday for Butte, Montana where he will resume his former employment.

Clarence Turner formerly of Mt. Sterling was last week married to Miss Pearl Smith, of Paris, Ill. Their future home will be in Bates county, Mo., on the 1000 acre stock farm recently owned by the late Harlan Turner.

Oliver Newman, aged 25, died of consumption at Indianapolis on the 12th ult. His remains were interred at Charleston, Ill.

Morton Swango recently spent a day at Indianapolis as the guest of Senator Charles Whitecomb. While in that city, he met Richard Hoard, formerly of Hazel Green. Mr. Hoard is writing life insurance, but said he would soon leave for Kentucky and join his father's family near Lexington.

Last Tuesday at 12 o'clock in this city, a negro was taken from the jail by a mob, beaten into insensibility, dragged through the streets to the bridge over the Wabash river, and hanged. After which he was placed on a pile of wood saturated with oil and burned. The burning lasted for three hours, and was witnessed by at least 15,000 people. Savanirs, consisting of rope, bits of clothing, shoes and even his toes were carried away. The jail doors were battered down by a car still and no resistance of any consequence was made by the officers. The negro confessed to way-laying a young lady 21 years old who was walking from a country school to the end of the street car line near the city. He emptied the contents of a shot gun in her back and then cut her throat with a knife. The girl struggled to her feet and walked half mile where she died in a few hours. The lynching meets the approval of the citizens of the county, though some condemn the burning of the dead body.

Prof. Iverson, of Louisa, Md., suffered terribly from neuralgia of the stomach and indigestion for thirteen years and after the doctors failed to cure him they fed him on morphine. A friend advised the use of Kodol Dyspepsia Cure and after taking a few bottles of it he says, "It has cured me entirely. I can't say too much for Kodol Dyspepsia Cure." It digests what you eat.

At London, Lem Warren and Geo. Galt drank from a bottle supposed to contain grain alcohol. It turned out to be wood alcohol and both died from lockjaw.

Mrs. Edwin Cross, Gormer, Mich. "When I conceived using Wine of Cardui I was hardly able to walk across the house. Two weeks after I walked half a mile and picked strawberries. When my other child was born I suffered with labor pains 24 hours, and had to raise him on a table. I never had no more. After using the Wine during pregnancy this time, I gave birth to a baby girl and was in labor only two hours, with but little pain, and I have plenty of milk. For this great improvement in my health I thank God and Wine of Cardui."
